Construction Update October 24, 2024

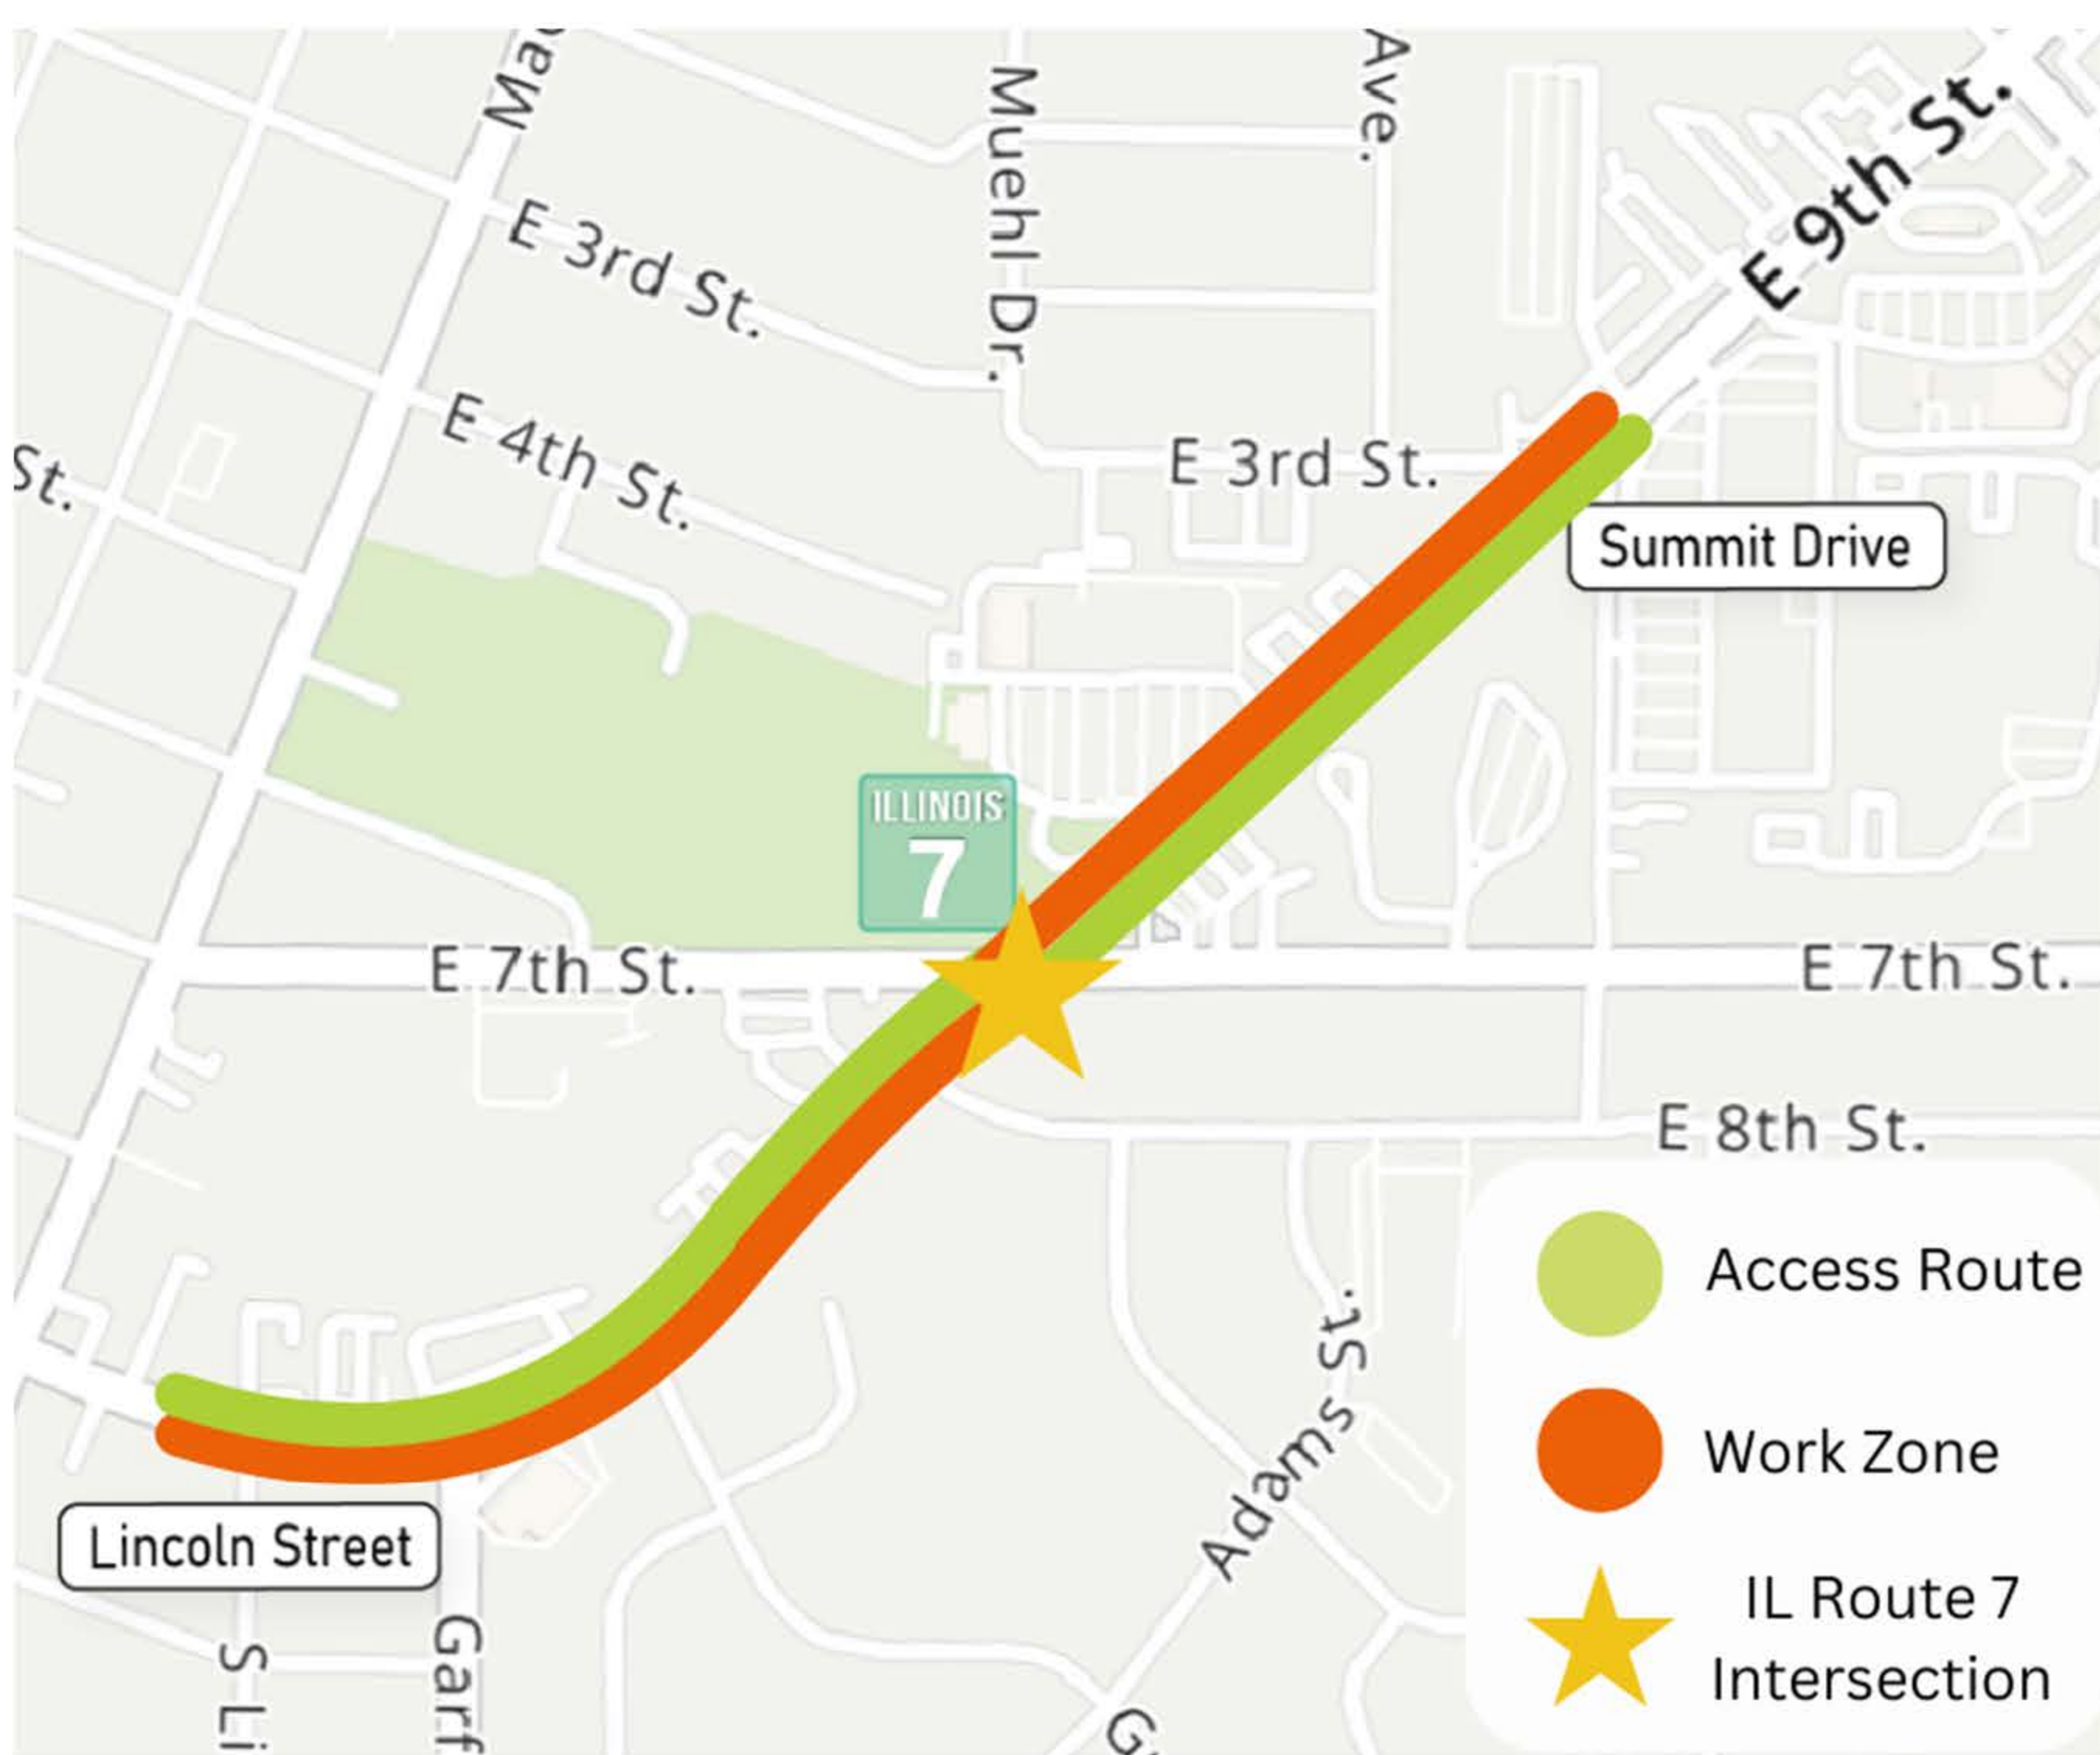

Recently, the contractor completed permanent patching throughout the entirety of the jobsite.

Last week, Stage 1 construction began on Wednesday, October 16th. Stage 1 construction will include watermain installation under Milne Creek, storm sewer improvements and roadway reconstruction in the highlighted work zones below. Be alert for a new traffic pattern.

- From Summit Drive to 7th Street: Motorists will use the eastern lanes
- From 7th Street to Lincoln Street: Motorists will use the western lanes

Any impacts to traffic or lane closures will be shared daily. Please use caution when traveling through the area.
